**Gail V. Aquino**  
Executive Secretary

**MESSAGE FROM THE  
CHAIRMAN OF THE BOARD  
OF DIRECTORS  
2010**

The Council of Owners and Construction Associates, Incorporated (COCA, Inc.) is a local Construction Users Council serving the Metro-East area of Southwestern Illinois.

The primary objectives of COCA, Inc. are to achieve a more cost effective construction industry which yields "more construction and maintenance for the money" and at the same time develop highly technical programs to effectuate a safer workplace through education.

COCA's members feel, when all segments of the construction industry; Owner/Users, Contractors, and Labor; are well informed and working in harmony, cost effective construction and maintenance projects can be realized. This will help assure the survival of our existing businesses, and make the entire Metro-East area of Southwestern Illinois more attractive and a safer environment for economic development.

During 2009, we experienced a high level of participation for all our activities. We now have over 1635 people who have completed our OSHA 30-Hour Construction Safety and Health Course, and we continue to offer the Competent Person Trenching & Shoring training course. Our bi-annual conferences continue to keep the entire industry up-to-date on critical issues which affect our businesses.

We continue to attract new Construction Associate members who understand the value we provide to the construction industry.

I would like to invite all those who are interested in becoming better informed on matters within the Construction Industry to participate in our various programs and become members of COCA.

If you would like more information about COCA, please go to [www.cocainc.com](http://www.cocainc.com) or call the office at 618-288-9434. Thank you.

Joseph T. (Todd) Merseal  
Board Chairman, COCA, Inc.  
Manager, Maintenance  
Afton Chemical

# **SUMMARY OF COCA PROGRAMS AND EVENTS**

## **2009**

**MARCH 12:** A joint meeting of COCA's Board of Directors and Construction Associates was held at Southern Illinois University at Edwardsville, Illinois. The speaker was Dianne Kay Slattery, Ph.D., P.E., Associate Professor SIU-E Department of Construction. Dianne is the past Chairman of the Construction Department for the School of Engineering at SIU-Edwardsville. She discussed "Tomorrow's Workforce." Where will our construction leaders come from? How do our institutions of higher learning prepare our workforce of tomorrow? How do we get our younger generation interested in construction management?

**FEBRUARY 19-20 & FEBRUARY 25-26:** COCA's ongoing 30-Hour OSHA Construction Safety and Health Training Course was held at the Ramada Inn in Fairview Heights, Illinois.

**APRIL 22:** A conference was conducted at Southern Illinois University at Edwardsville, Illinois entitled, "Contemporary Issues in Construction: Training Tomorrow's Workforce." A Panel discussion on apprenticeship training was conducted by Labor representatives from the Local Building Trades. An overview of COCA's Strategic Plan as adopted by the Board of Directors was also presented. In addition to those topics a panel discussion was held on the benefits of a Tri-Partite environment and how cooperative problem solving can help in today's business climate.

**MAY 2:** COCA held a Trenching & Shoring Competent Person Safety Training Seminar at the AmerenIP Service Yard in Belleville, Illinois.

**MAY 14:** A joint meeting of COCA's Board of Directors and Construction Associates was held at Southern Illinois University at Edwardsville, Illinois. The speaker was Mr. Robert Stephan, Downstate Director, U.S. Senator Roland Burris' office. He discussed "The American Recovery and Reinvestment Act of 2009", explaining what is included in the Act, how the Act will affect industry in southwestern Illinois, how the stimulus money will flow into the economy and how our membership can prepare themselves for the opportunity to be involved in projects in the Metro East identified to be funded by the Act.

**JUNE 18:** A 4-Person Golf Scramble was held at the Spencer T. Olin Community Golf Course, the Fox Creek Golf Club, The Lockhaven Country Club and Belk Park Golf Course along with a Trap & Skeet Shoot at the Olin Gun Club. These events were held in conjunction with COCA's annual after-hours Barbeque Social held under the pavilion at Spencer T. Olin. Owners, Contractors, Labor Leaders, and invited guests had an opportunity to get together in an informal setting to enjoy some food, beverages, and fellowship. More than 650 people participated.

**SEPTEMBER 3:** A joint meeting of COCA's Board of Directors and Construction Associates was held at Southern Illinois University at Edwardsville, Illinois. The speaker was Ms. Monica Bristow, President of the River Bend Growth Association. She will spoke on the overall economic impact of the ConocoPhillips expansion project on the entire River Bend area. In addition she gave insight to the recently signed capital bill and what it means to the Metro East. Monica also explained the River Bend Growth Association's role in economic development and their mission to bring in new business and help existing businesses expand.

## **SUMMARY OF MAJOR EVENTS - 2009 (cont.)**

**OCTOBER 7:** A conference was conducted at The Gateway Center in Collinsville, Illinois, entitled "Contemporary Issues in Construction Safety." The first speaker was Mr. Robert Banks, Director I.M.P.A.C.T. Eastern Region. He spoke about the International Ironworkers Substance Abuse Program.

The next speaker was Mr. Neal Conner, Attorney at Law. He spoke on the new legislation passed into law regulating the employment of illegal immigrants and tracking your workforce with E-Verify through the Department of Homeland Security.

John Langford, Safety Director for McHugh Construction, also provided an annual update of various OSHA changes including OSHA's New Crane and Derrick Standard - What Is Happening Today? Construction Confined Space Standard - Where Is It Today? Fines for PPE Violations. In addition he spoke about significant legislation before Congress - Protecting American Worker's Act for 2009. The Court of Appeals Upholds Multi-Employer Worksite Policy and Missouri Requiring OSHA 10-Hr Training for Everyone on Public Works Projects.

**OCTOBER 8-9 & OCTOBER 15-16:** COCA's ongoing 30-Hour OSHA Construction Safety and Health Training Course was held at the Ramada Inn in Fairview Heights, Illinois.

**DECEMBER 10:** A joint meeting of COCA's Board of Directors and Construction Associates was held at the Southern Illinois University at Edwardsville, Illinois. The COCA Owners presented an overview of their upcoming major construction and maintenance projects as well as their progress on their current projects. Additionally, they described their current levels of plant operations and employment, and their safety experiences with contractor employees.
