About The Conference

Labor Leaders will give an in-depth overview of the International Association of Bridge, Structural Steel, Ornamental and Reinforcing Ironworkers I.M.P.A.C.T. substance abuse program. They will discuss how to make job sites safer and save employers money through participation in this program.

With many Metro East projects funded by Federal money through the Stimulus Act and State budgets, learn what new regulations are now in effect that impacts who you can hire and what documentation has to be completed before you are eligible to be awarded these jobs.

This conference also offers an opportunity to hear first hand from the experts in the field of Safety about the changes occurring in Washington with OSHA and how it can impact your company. Learn the latest information about proposed changes in the Construction Standard and what to expect in the coming months.

This conference will offer details about what companies must do to stay in compliance with CFR 1926, the Construction Industry Standard.

Who Should Attend

Owners, Contractors, and Safety Professionals that have a need to stay informed about OSHA Compliance, including new standards and future initiatives. Everyone interested in improving their overall safety knowledge and performance. Those contractors dealing with government regulations involving background checks required under the Homeland Security Act.

Conference Registration

Registration Fee \$95.00 per person.

Registration fee includes refreshments, all handout materials, parking and lunch.
